

## **USE OF CLUB GROUNDS FOR PRIVATE TRAINING 2023/24**

As per HRCVA directive the K&DARC is required to reduce risks associated with private use of the club grounds outside of club activities.

The K&DARC do not wish to restrict ground use. Therefore, if you wish to continue to use the club grounds outside of club activities, please sign the form to state you will abide by the rules below and return to the secretary with your membership renewal.

- 
- The car and float to be inside the club grounds
  - The gate is to be kept closed
  - Approved helmet and boots to be worn
  - No jumping if alone.
  - Training only for HRCVA activities

I will attend my own risk assessment prior to riding which will include:

1. Checking the fencing and surfaces are in good repair
2. Remove any rubbish
3. Check the outside environment for any possible distractions
4. Identify any further risks on the day and report to the secretary
